

Dear Family,

Welcome to a new and exciting year with the Ramallah Club of San Jose! Myself along with the rest of the Board of Directors would like to thank you for participating in this years elections. We appreciate your confidence in us and promise to take our jobs seriously in order to strengthen and grow the Club.

Hosting the annual Ramallah Convention last year was truly a unique experience. Perhaps the most positive result of the entire experience was the fact that it mobilized the younger generation of club members under a common goal. As we all worked towards that goal, old friendships were rekindled and new ones blossomed. In the end, the San Jose Ramallah Club is left with a fresh group of active young members who have gained a newfound appreciation for the Ramallah Club and all that it entails.

As you all know, the new board of directors reflects this new generation. While still relying on the wisdom of our elders, the new Board hopes to inspire our youth to become more active in the club. Keeping in line with that goal, we have appointed Rami Amireh as event coordinators. They have created a full schedule of events for this upcoming year. The events are aimed at keeping our families active as well as getting our youth involved. They range from our annual Easter Egg Hunt to a Casino Night. (Please see www.afropsanjose.com for details). However, in order for our events to be successful, we need all our members to participate. Therefore, we ask for your support, not only for our events, but for the club as a whole.

We promise to keep the club strong and active. In return, we ask that each one of you support us by attending our events, encouraging your friends and family members to join and of coarse by paying your dues. We are all lucky to have the have such a vibrant Palestinian community, we are lucky to have supportive families and friends, we are lucky to have the San Jose Ramallah Club! Let's all support each other and support the Club.

Sincerely,
Jeff Ajlouny
